Statement of intent

At Cidari, we understand the need to continually deliver high quality education, including during periods of remote working – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection, and safeguarding.

This policy aims to:

- Minimise the disruption to pupils' education and the delivery of the curriculum.
- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

Local arrangements for St Silas Primary School in respect to remote learning.

Loving God and each other

We work together to be the best that we can be

General expectations and principles

The aim of remote learning in St Silas is to ensure that all children can be the best that they can be across the whole curriculum. Remote learning is not focused entirely on English and mathematics but includes all subjects including history, geography, science, music, computing and art. Children are expected to focus on their learning at home with the same attention as they would in our school. Teachers are expected to help children achieve their best through setting appropriate work and giving feedback when appropriate.

All remote learning is delivered under the principles outlined in [Section 1 - Legal Framework](#). Related local policies are available on the Academy website or copies can be requested. Policies relating to data protection can be found on the Trust website.

Remote learning times

Flexibility is expected in Remote Learning as many families will be sharing devices. There are no set times during the day for the children to access Purple Mash. Teachers set weekly tasks and monitor the use of Purple Mash and contact the parents of any children who are not engaging sufficiently with the set work.

Marking and Feedback arrangements

Feedback is through Purple Mash. Teachers can comment on work and email children. There is no expectation that every piece of work will be commented on but all children should have some interaction

with the teacher and appropriate feedback over the week. Some of this may be whole class feedback if appropriate. All children will have the opportunity for verbal contact with their teacher where possible.

Key contact information to support remote learning

Parents have the headteacher's email address to contact in case of difficulty or they can ring the school office.

Children can contact their teacher via Purple Mash.

Laura Smith is the DSL and can be contacted via email on laura.smith@cidari.co.uk.

Mr Graeme Hadwin is supporting teachers and parents with any difficulties with using the systems wherever possible.
