### Message from Mrs Battersby

Unfortunately four classes are now closed so that children and their teachers can isolate for 14 days. Remote learning for these classes has started. The KS2 classes are using Google classrooms and teachers will be arranging live lessons. Please make sure your child attends the live lessons as well as doing any other work set by their teacher. This will be new learning and it is important that your child keeps up with their learning. If you need any support with accessing this remote learning please contact [graeme.hadwin@cidari.co.uk](mailto:graeme.hadwin@cidari.co.uk). Please also be patient with the school as we get used to this new way of working.

If your child receives a positive test result, please let school know as soon as you receive the result so that we can contact the relevant bodies and find out if their class needs to close. It depends on when your child was last in the school building. If you get a result over the weekend, please email [michele.battersby@cidari.co.uk](mailto:michele.battersby@cidari.co.uk) so I can make arrangements.

It is wonderful to have our children back in the school building and I am hearing many positive comments from their teachers about their behaviour and learning. I pray that all classes and staff will be back in school soon and we are able to keep all the classes open. I know that you are all doing the best you can to help us achieve this.
