

SAM Challenge - Love - St Silas Academy

Phase 2 Years 4-6 Love

Home

Help your parents to take care of a younger sibling or relative who lives in your house. Write about or draw a picture showing how you helped out. Explain how you showed love through your actions.

Use the internet to find out about the destruction of habitats, such as the rain forest. Decide how you can make people aware of the impact this will have on the environment. You could write a song or create a script for an advert on radio or television.

List the many different ways that humans and animals show love for one another. Are there any similarities in the way animals and humans care for each other and show their love? Make a display or information pack to share at school. Take a photograph.

Find out how artificial fertilisers and pesticides affect our wildlife. Find out what they do and if there are any alternatives? Research natural ways to combat the problems and produce a short film or report.

Draw a picture or write a poem or story about a pet. Show what makes it special and individual. How does it show its love for you? How do you show your pet love?

Visit a virtual zoo, animal sanctuary or wildlife reserve. Find out about some of the animals that live there, including at least one you haven't heard of before. Explain how their life is different to those that live in the wild. Make a scrapbook about your virtual visit.

Make a nature iSpy card for children in KS1 to help them appreciate living things around us. Make sure you include a variety of natural objects such as leaves, feathers, birds, insects etc.. Write instructions on the back of how to use the card.

SAM Challenge - Love - St Silas Academy

Wider Community

Many charities rely on support from local communities. Pick a charity which is relevant to your community, such as a food bank. How can you support that charity? How can you raise awareness of the charity? Design a poster or create a PowerPoint to publicise the charity's work amongst your family and friends.

Know three ways to make it easier for a wheelchair user to use their wheelchair in public spaces. Describe how school or church could be adapted to make it more accessible for a wheelchair user. Draw a diagram to explain your thoughts.

Design a card or a picture for a local care home and send it in the post so that the residents can see your drawing. Take a picture of it before you send it.

Show your love for the NHS and all the key workers by creating a rainbow inspired piece of artwork using materials found in your home. The more creative the better. Take a photograph of it and display it in your window or the front of your house.
