

SAM Challenge - Service - St Silas Academy

Phase 1 Years 1-3 Service

Home

Learn the finger-spelling alphabet. Record yourself signing your name.

www.british-sign.co.uk/fingerspelling-alphabet-charts/

Find out what happens when you dial 999. Who do you speak to and what do you say? With a family member, role play a conversation between you and the operator. Make sure you can tell the person you speak to your full address. Record your conversation or write it down.

Find out what First Aid is and why it is important to know the basics. Write down instructions on what you might do if someone has burnt themselves or is choking. Is there anywhere you can learn about basic first aid?

Wider Community

Create a community map. What services are there within the local community? Where are they? Who are they for? How can people access these services?

Find out who your local councillor is and how to contact them. Find out what they do and if they get paid. List four things they have done for the local community this year.

Learn about a time when our country has been at war. Talk about how a war may start. Discuss how war affects people's lives. How can war be avoided?
